

## **Blanket Order on Québec Start-up Crowdfunding Prospectus and Registration Exemption**

Considering the interests of investors and the financing needs of Québec start-up businesses, it is the intention of the Autorité des marchés financiers (the “Authority”) to exempt certain issuers and funding portals (as defined below) from prospectus requirements and registration requirements under the conditions set out in this order;

Considering the terms defined in the *Securities Act, R.S.Q., c. V-1.1* (the “Act”), *Regulation 45-106 respecting Prospectus and Registration Exemptions, R.S.Q., c. V-1.1, r. 21* (“Regulation 45-106”), *Regulation 14-101 respecting Definitions, R.S.Q., c. V-1.1, r. 3* and the following defined terms:

“accepted depository”: a lawyer, a Québec-licensed notary or a reputable third party;

“eligible securities”: any of the following:

- (a) a common share;
- (b) a non-convertible preference share;
- (c) a security convertible into securities referred to paragraphs (a) and (b);
- (d) a non-convertible debt security linked to a fixed or floating interest rate; and
- (e) a unit of a limited partnership.

“funding portal”: a person who:

- (a) facilitates or proposes to facilitate a start-up crowdfunding distribution made in reliance on this order; and

“start-up crowdfunding distribution”: a distribution of securities that is exempted from the prospectus and registration requirements pursuant to this order;

“trust agreement”: a written agreement entered into between a funding portal and an accepted depository containing the terms and conditions under which the accepted depository will accept, hold and release funds in a start-up crowdfunding distribution;

Considering that the Authority may, pursuant to section 263 of the Act, on such conditions as it may determine, exempt a person or a group of persons from any or all of the requirements under Titles II to VI of the Act or the regulations where it considers the exemption not to be detrimental to the protection of investors;

Considering the recommendation of the Superintendent, Capital Markets, of the Authority who estimates that it is not prejudicial to the public interest to make this Order;

Now therefore:

The Authority exempt an issuer from the prospectus requirements provided under section 11 of the Act for all start-up crowdfunding distributions provided that:

13. The offering document is either in French or in French and English;
14. The issuer delivers to the Authority an executed copy of the trust agreement and the issuer access agreement;

## Your Legal Rights

Therefore, your rights as an investor will be limited and you will not have the rights attached to a prospectus under applicable securities laws.

Please consult with a professional adviser to go over your legal rights in detail.

## Glossary (for information purpose only)

**Bond:** In this type of investment, an investor loans money to a company for a defined period of time at a fixed interest rate.

**Dividends:** A distribution of a portion of a business corporation's earnings, decided by the board of directors, to a class of its shareholders. Dividends may be in the form of cash, stock or property.

**Limited Partnership:** A limited partnership is a type of business in which two or more partners united to conduct a business jointly. In this scenario, the partners are generally only responsible for the amount of money they put in to the business.

**If you hold units of a limited partnership, you will not be involved in the management of the company. If the company fails, you will not generally be responsible for any debt and will only lose your original investment amount.**

**Promissory Note:** This kind of investment is essentially a loan on which you collect interest. It includes a written promise to repay the investor either on demand or at a specified future date.

**Promoter:** Someone who took the initiative to found, organize or substantially reorganize the issuer or someone connected to these activities that received 10% or more of any type of security or of any proceeds of an offering for the activities.

**Security:** Includes a share, a unit of a limited partnership, a bond and a promissory note.

**Share:** There are two main types of share: common and preferred.

Common shares usually entitle the owner to vote at shareholders' meetings and to receive *dividends* (a portion of the company's earnings, if any).

Preferred shares generally do not have voting rights, but have a higher claim on assets and earnings than common shares. For example, owners of preferred shares receive dividends before common shareholders and have priority in the event that a company goes bankrupt and is liquidated.

Also known as "equity."

**Voting:** The right of a shareholder to vote on matters of corporate policy and who will make up the board of directors. Voting often involves decisions on issuing securities, initiating corporate actions and making substantial changes in the corporation's operations. The number of votes that a shareholder has corresponds to the numbers of shares that he owns. For example, a shareholder that owns 100 shares will have a 100 times more votes than a shareholder that owns a single share.
