**RE: Request for access – Number of financial planners licensed in Quebec as of
September 4th 2018
Our file: GDC05-06-01-2778**

[REDACTED]

This is further to the access request received on January 7th, 2019 at the Corporate Secretariat of the *Autorité des marchés financiers* regarding the above-mentioned matter.

As requested and as published in the request of access GDC05-06-01-2735 on September 13 2018, we confirm that the number of 4483 financial planners licensed in the province of Quebec, as of September 4th 2018, is accurate.
