**RE: Request for access – List of firms in Damage insurance (broker) in Quebec
Our file: GDC05-06-01-3199**

This is further to the access request received at Corporate Secretariat of the *Autorité des marchés financiers* on March 7, 2022 regarding the above-mentioned matter.

Find enclosed the list of firms registered in the sector of Damage insurance (broker) in Quebec. See table column “AG – Language” for firms that have mentioned English as their preferred language for business.

However, our registry does not contain information whether a firm hires English speaking persons or not.

Yours truly,
