

Results of the Commercial Practices Self-Assessment – Insurers

Following the request for information related to sound business practices guideline which was sent to 219 insurers in May 2014, the Autorité des marchés financiers (the “AMF”) makes available today on its website at www.lautorite.qc.ca the report [*Results of the Commercial Practices Self-Assessment – Insurers*](#).

This report presents the results of the self-assessment questionnaire in respect of the implementation of the Sound Commercial Practices Guideline. It highlights self-assessment findings and examples of good commercial practices by certain insurers.

The findings will help shape the AMF’s future actions with respect to sound commercial practices.
