Under *An Act respecting insurance*, CQLR, c. A-32, (the “Act”), every insurer is required to file with the *Autorité des marchés financiers* (the “AMF” or the “Authority”), in such form as the AMF may determine and within the prescribed time period, the documents and information required under the Act or requested by the AMF pursuant to specific provisions of the Act (the “required or requested documents and information”).

In order to modernize its TI systems and maintain secure on-line business solutions for insurers, the **AMF has replaced the File Transfer Service (FTS) with the AMF E-Services (SEL).**

Therefore, for any statutory disclosure required for a fiscal year ended October 31, 2017, **electronic filing through the AMF E-Services is mandatory** for all documents and information required or requested.

See the Appendix attached to this Notice concerning specific AMF requirements for the filing of documents for the fiscal year ended October 31, 2017.

A complete set of « paper » copies of the signed documents must be kept at the insurer’s premises so that they are available for examination by the AMF, if necessary.

Administrative monetary sanctions

We remind you that each insurer is responsible for ensuring that the AMF receives, **within the prescribed time periods**, all required or requested documents and information in all forms as required.

Under section 405.1 of the Act, the AMF may impose an administrative sanction where any of the documents referred to in the Appendix are filed late or are not filed.

The *Notice of the Autorité des marchés financiers related to administrative monetary sanctions imposed for late filing of information or documents (sections 405.1 and following of the Act)* (the “sanctions framework”) is posted on the AMF website at:
