

## CSA Staff Notice 45-314

### *Consolidated List of Current CSA Exempt Market Initiatives*

**March 20, 2014**

#### **Introduction**

Modernization of the exempt market regulatory regime is a major priority for the Canadian Securities Administrators (CSA). In keeping with this, CSA members are publishing a series of significant initiatives related to prospectus exemptions. This Notice describes all of these initiatives in one place for the benefit of industry and investors.

Although CSA members have substantially harmonized the prospectus exemptions and amendments to prospectus exemptions, market participants will note some differences. Some of these can be explained by differences in local markets and the fact that certain prospectus exemptions are proposed for the first time in some jurisdictions.
