Registrant Obligations (Decision 2014-PDG-00148, 2014-11-14) provides further guidance in respect of these accounting principles.

Line 5. Related-party debt – Refer to the CICA Handbook for the definition of “related party” for publicly accountable enterprises. The firm is required to deliver a copy of the executed subordination agreement to the regulator or, in Québec, the securities regulatory authority on the earlier of a) 10 days after the date the agreement is executed or b) the date an amount subordinated by the agreement is excluded from its calculation of excess working capital on Form 31-103F1 Calculation of Excess Working Capital. Line 12. Unresolved differences – Any unresolved differences that could result in a loss from either firm or client assets must be included in the capital calculation.

The examples below provide guidance as to how to calculate unresolved differences:

(i) If there is an unresolved difference relating to client securities, the amount to be reported on Line 12 will be equal to the fair value of the client securities that are short, plus the applicable margin rate for those securities.

(ii) If there is an unresolved difference relating to the registrant's investments, the amount to be reported on Line 12 will be equal to the fair value of the investments (securities) that are short.
