(ii) the revised template version of the marketing materials can be viewed under the issuer's profile on www.sedar.com

(4) State that any template version of the marketing materials filed under the Regulation after the date of the final prospectus and before the termination of the distribution is deemed to be incorporated into the final prospectus.

(5) If the issuer relies on the exception in subsection 13.12(1) of the Regulation, include the following statement or words to the same effect:

“Before the filing of the final prospectus, the issuer and underwriters held road shows on [insert dates and brief description of road shows for U.S. cross-border offering eligible for the exception in subsection 13.12(1) of the Regulation or other prospectus rule] to which potential investors in [insert the jurisdictions of Canada where the prospectus was filed] were able to attend. The issuer and the underwriters provided marketing materials to those potential investors in connection with those road shows.

“In doing so, the issuer and the underwriters relied on a provision in applicable securities legislation that allows issuers in certain U.S. cross-border offerings to not have to file marketing materials relating to those road shows on SEDAR or include or incorporate those marketing materials in the final prospectus. The issuer and the underwriters can only do that if they give a contractual right to investors in the event the marketing materials contain a misrepresentation.

“Pursuant to that provision, the issuer and the underwriters signing the certificate contained in this prospectus have agreed that in the event the marketing materials relating to those road shows contain a misrepresentation (as defined in securities legislation in [insert the jurisdictions of Canada where the prospectus was filed]), a purchaser resident in [insert the jurisdictions of Canada where the prospectus was filed] who was provided with those marketing materials in connection with the road shows and who purchases the securities offered by this prospectus during the period of distribution shall have, without regard to whether the purchaser relied on the misrepresentation, rights against the issuer and each underwriter with respect to the misrepresentation which are equivalent to the rights under the securities legislation of the jurisdiction in Canada where the purchaser is resident, subject to the defences, limitations and other terms of that legislation, as if the misrepresentation was contained in this prospectus.

“However, this contractual right does not apply to the extent that the contents of the marketing materials relating to the road shows have been modified or superseded by a statement in this prospectus. In particular, [insert a description of how any statement in the marketing materials has been modified or superseded by a statement in the prospectus].”

GUIDANCE

Marketing materials do not, as a matter of law, amend a preliminary prospectus, a final prospectus or any amendment.”;

(4) by inserting, after item 37.5, the following:

“37.6. Marketing materials

If an issuer filed a template version of marketing materials under paragraph 13.7(1)(e) of the Regulation or intends to file a template version of marketing materials under paragraph 13.8(1)(e) of the Regulation, change “prospectus” to “prospectus (which includes the marketing materials included or incorporated by reference)” where it first appears in the statements in sections 37.2 and 37.3.”

10. This Regulation comes into force on August 13, 2013.
