(3.1) Despite subsection (1), an eligible institutional investor that is filing reports under the early warning requirements or Part 4 for a reporting issuer may rely upon the exemption contained in subsection (1) only if the eligible institutional investor treats a significant change in a related financial instrument position as a change in a material fact for the purposes of securities legislation pertaining to the early warning requirements of section 4.6 of this Regulation

(4) Despite subsection (1), an eligible institutional investor that is an insider of a reporting issuer may not rely upon the exemption contained in subsection (1) if

(a) the eligible institutional investor, either alone or with a joint actor or joint actors, purchased in the previous month, directly or indirectly, 50% or more of all of the securities of a class that were reported sold on stock exchanges, over-the-counter markets or both in the previous month; or

(b) the eligible institutional investor, either alone or with a joint actor or joint actors, sold in the previous month, directly or indirectly, 50% or more of all of the securities of a class that were reported sold on stock exchanges, over-the-counter markets or both in the previous month

(5) If an eligible institutional investor is exempt under subsection (1) from the insider reporting requirement for a reporting issuer, every director or senior officer of the eligible institutional investor who is an insider of the reporting issuer solely as a result of being director or senior officer of the eligible institutional investor is exempt from the insider reporting requirement for the reporting issuer.
