(1) In determining the beneficial ownership of securities of an offeror or of any person acting jointly or in concert with the offeror, at any given date, any security or right or obligation permitting or requiring the offeror or the person acting jointly or in concert with the offeror, whether or not on conditions, to acquire a security, including an unissued security, of a particular class within 60 days by a single transaction or a series of linked transactions is deemed to be a security of a particular class.

(2) A security or right or obligation described in subsection (1) is deemed to be outstanding for the purpose of calculating the number of outstanding securities of that class in respect of the offeror's offer to acquire or acquisition.

(3) If two or more offerors acting jointly or in concert make one or more offers to acquire securities of a class, the securities subject to any such offer or offers to acquire are deemed to be securities subject to the offer to acquire of each such offeror for the purpose of determining whether any such offeror is making a take-over bid.

### **1.7 Acting jointly or in concert**

(1) For the purposes of this Regulation, it is a question of fact as to whether a person is acting jointly or in concert with an offeror.

(2) The following are deemed to be acting jointly or in concert with an offeror:

(2) Subsection (1) does not apply to an agreement between a security holder and the offeror to the effect that the security holder will, in accordance with the terms and conditions of a take-over bid that is not exempt under Part 5, deposit the security holder's securities under the bid.

(3) Despite subsection (1), an offeror may purchase securities of the class that are subject to the take-over bid and securities convertible into securities of that class beginning on the third business day following the date of the bid until the expiry of the bid if

(a) the intention to make those purchases is stated in the take-over bid circular,

(b) the aggregate number of securities beneficially acquired under this subsection does not constitute in excess of 5% of the outstanding securities of that class as at the date of the bid,

(c) the purchases are made in the normal course through the facilities of a recognized exchange,

(d) the offeror issues and files a news release immediately after the close of business of the recognized exchange on each day on which securities have been purchased under this subsection disclosing the following information:

(f) the offeror or any person acting for the offeror does not solicit or arrange for the solicitation of offers to sell securities of the class subject to the bid, except for the solicitation by the offeror or members of the soliciting dealer group under the take-over bid, and

(g) the seller or any person acting for the seller does not, to the knowledge of the offeror, solicit or arrange for the solicitation of offers to buy securities of the class subject to the bid.

### **2.3 Restrictions on acquisitions during issuer bid**

(1) An offeror making an issuer bid must not offer to acquire, or make or enter into an agreement, commitment or understanding to acquire, beneficial ownership of any securities of the class that are subject to an issuer bid, or securities that are convertible into securities of that class, otherwise than under the bid on and from the day of the announcement of the offeror's intention to make the bid until the bid's expiry.

(2) Subsection (1) does not prevent the offeror from purchasing, redeeming or otherwise acquiring any securities of the class subject to the bid during this period in reliance on an exemption under paragraph 5.7(a), (b) or (c).

### **2.4 Restrictions on pre-bid and post-bid acquisitions during take-over bid**

(1) If within the period of 90 days immediately preceding a take-over bid, an offeror acquired beneficial ownership of securities of the class subject to the bid in a transaction not generally available on identical terms to holders of that class of securities,

(a) the offeror must offer

(i) consideration for securities deposited under the bid at least equal to and in the same form as the highest consideration that was paid on a per security basis under the transaction, or

(ii) at least the cash equivalent of that consideration, and

(b) the offeror must offer to acquire under the bid that percentage of the securities of the class subject to the bid that is at least equal to the highest percentage that the number of securities acquired from a seller in that prior transaction was of the total number of securities of that class beneficially owned by that seller at the time of that prior transaction.

(2) Subsection (1) does not apply if the transaction that occurred within 90 days immediately preceding the bid was

(a) a trade in a security of the issuer that had not been previously issued, or

(b) a trade by or on behalf of the issuer in a previously issued security of that issuer that had been redeemed or purchased by, or donated to, that issuer.

(3) During the period beginning with the expiry of a take-over bid and ending at the end of the 20<sup>th</sup> business day after that, whether or not any securities are taken up under the bid, an offeror must not acquire beneficial ownership of securities of the class that were subject to the bid except by way of a transaction that is generally available to holders of that class of securities on terms identical to those under the bid.

(4) Despite subsections (1) and (3), an offeror may make purchases in the normal course through the facilities of a recognized exchange if

(a) any broker acting for the offeror does not, in regard to the purchases, perform services beyond the customary broker's functions and does not receive more than

the usual fees or commissions charged for comparable services performed by the broker in the normal course,

(b) the offeror or any person acting for the offeror does not solicit or arrange for the solicitation of offers to sell securities of the class subject to the bid, except for the solicitation by the offeror or members of the soliciting dealer group under the take-over bid, and

(c) the seller or any person acting for the seller does not, to the knowledge of the offeror, solicit or arrange for the solicitation of offers to buy securities of the class subject to the bid.

## **2.5 Sales during bid prohibited**

(1) Except pursuant to the bid, an offeror must not sell, or make or enter into an arrangement, agreement, commitment or understanding to sell, any securities of the class subject to the bid, or securities that are convertible into securities of that class, on and from the day of the announcement of the offeror's intention to make the bid until the bid's expiry.

(2) Despite subsection (1), an offeror may, before the expiry of a bid, make or enter into an arrangement, agreement, commitment or understanding to sell securities that may be taken up by the offeror under the bid, after the expiry of the bid, if the intention to sell is disclosed in the bid circular.

(3) Subsection (1) does not apply to an offeror under an issuer bid in respect of the issue of securities pursuant to a dividend plan, dividend reinvestment plan, employee purchase plan or another similar plan.

## **Division 2: Making a Bid**

### **2.6 Bid made to all security holders**

(b) the holders of securities that, before the expiry of the deposit period referred to in section 2.25, are convertible into securities of that class, whose last address as shown on the books of the offeree issuer is in the local jurisdiction.

### **2.7 Commencement of bid**

(1) An offeror must commence a take-over bid by

(a) publishing an advertisement containing a summary of the take-over bid in at least one major daily newspaper of general and regular paid circulation in the local jurisdiction, and in Québec, a daily French language newspaper, or

(b) sending the take-over bid to security holders as required by section 2.6.

(2) An issuer bid must be commenced by sending the bid to security holders as required by section 2.6.

### **2.8 Offeror's circular**

(1) An offeror must send, with or as part of a take-over bid or issuer bid, a bid circular in the required form.

(2) If a take-over bid is commenced by way of an advertisement under paragraph 2.7(1)(a), the offeror must

(a) on or before the date of first publication of the advertisement, deliver the bid to the offeree issuer's principal office and file the bid and the advertisement,

(b) on or before the date of first publication of the advertisement, request from the offeree issuer a list of security holders referred to in section 2.6, and

(c) not later than 2 business days after receipt of the list of security holders referred to in paragraph (b), send the bid, including the bid circular, to those security holders.

(2) If a take-over bid is commenced under paragraph 2.7(1)(b), the offeror must file the bid and deliver it to the offeree issuer's principal office on the day the bid is sent, or as soon as practicable after that.

(3) An offeror making an issuer bid must file the issuer bid on the day the bid is sent or as soon as practicable after that.

## **2.9 Change in Information**

(1) If, before the expiry of a take-over bid or issuer bid or after the expiry of the bid but before the expiry of all rights to withdraw the relevant securities, a change has occurred in the information contained in the bid circular or any notice of change or notice of variation that would reasonably be expected to affect the decision of the security holders of the offeree issuer to accept or reject the bid, the offeror must promptly

(a) issue and file a news release, and

(b) deliver a notice of the change to every person to whom a bid circular was required to be sent and whose securities were not taken up before the date of the change.

(2) Subsection (1) does not apply to a change that is not within the control of the offeror or of an affiliate of the offeror unless it is a change in a material fact relating to the securities being offered in exchange for securities of the offeree issuer.

(3) For the purposes of this section, a change in information does not include a variation in the terms of the bid.

(4) A notice of change must be in the required form.

## **2.10 Variation of terms**

(1) If there is a variation in the terms of a bid, including any extension of the period during which securities may be deposited under the bid, and whether or not that variation results from the exercise of any right contained in the bid, the offeror must promptly issue and file a news release and deliver a notice of variation to every person to whom the bid circular was required to be sent under section 2.6 and whose securities were not taken up before the date of the variation.

(2) A notice of variation must be in the required form.

(3) If there is a variation in the terms of a bid, the period during which securities may be deposited pursuant to the bid must not expire before 10 days after the sending of the notice of variation.

(4) Subsection (3) does not apply to a variation in the terms of a bid consisting solely of the waiver of a condition in the bid and any extension of the bid resulting from the waiver where the consideration offered for the securities consists solely of cash.

(5) A variation in the terms of a bid, other than a variation that is the waiver by the offeror of a condition that is specifically stated in the bid as being waivable at the sole option of the offeror, must not be made after the expiry of the period, including any extension of the period, during which the securities may be deposited under the bid.

(6) If there is a variation in the terms of a bid that is the waiver by the offeror of a condition that is specifically stated in the bid as being waivable at the sole option of the offeror, subsection (1) does not apply in respect of that bid if

(a) the waiver occurs, and the offeror has promptly issued and filed a news release announcing the waiver, and

(b) the consideration offered for the securities consists solely of cash.

### **2.11 Notice of change or variation - filing and sending requirements**

A notice of change or variation in respect of a bid must be filed and, in the case of a take-over bid, delivered to the offeree issuer's principal office, on the day the notice of change or variation is sent to security holders of the offeree issuer, or as soon as practicable after that.

### **2.12 Change or variation in advertised take-over bid**

(1) If a change or variation occurs to a take-over bid that has been advertised in accordance with subsection 2.8(2), and the offeror has complied with paragraphs (a) and (b) of that subsection but has not yet delivered the bid under paragraph (c) of that subsection, the offeror must

(a) publish an advertisement that contains a brief summary of the change or variation in at least one major daily newspaper of general and regular paid circulation in the local jurisdiction and, in Québec, a daily French language newspaper,

(b) concurrently with the date of first publication of the advertisement,

(i) file the advertisement, and

(ii) file and send the notice of change or notice of variation to the offeree issuer's principal office, and

(3) Any bid, bid circular or notice sent in accordance with this section is deemed to be dated as of the date it was sent to all or substantially all of the persons entitled to receive it, except for a take-over bid commenced in accordance with paragraph 2.7(1)(a), in which case the bid, bid circular or notice is deemed to have been dated as of the date of first publication of the relevant advertisement.

## **Division 3: Offeree Issuer's Obligations**

### **2.15 Directors' circular**

(1) If a take-over bid has been made, the board of directors of the offeree issuer must send a directors' circular to every person to whom a take-over bid was required to be sent under section 2.6 not later than 15 days after the date of the bid.

(2) The board of directors must include in a directors' circular either

(a) a recommendation to accept or to reject a take-over bid and the reasons for the recommendation, or

(b) a statement that they are unable to make, or are not making, a recommendation and the reasons for not making a recommendation.

(3) If a board of directors is considering recommending acceptance or rejection of a take-over bid after the sending of the directors' circular, it

(a) must, at the time of sending the circular, advise the security holders of this fact, and

(b) may advise them not to deposit their securities until further communication is received from the directors.

(4) If subsection (3) applies, the board of directors must deliver the recommendation or the decision not to make recommendation at least 7 days before the scheduled expiry of the period during which securities may be deposited under the bid.

(5) A directors' circular must be in the required form.

### **2.16 Notice of change**

(1) If, before the expiry of a take-over bid or after the expiry of the bid but before the expiry of all rights to withdraw the securities that have been deposited under the bid, a change has occurred in the information contained in a directors' circular or in any notice of change to a directors' circular that would reasonably be expected to affect the decision of the security holders to accept or reject the bid, the board of directors of the offeree issuer must promptly issue and file a news release relating to the change and send a notice of the change to every person to whom the circular was required to be sent disclosing the nature and substance of the change.

(2) A notice of change in relation to it must be in the required form.

## **2.17 Filing directors' notice of change**

The board of directors of the offeree issuer must concurrently file the directors' circular or a notice of change in relation to it and deliver it to the principal office of the offeror no later than the date on which it is sent to the security holders of the offeree issuer, or as soon as practicable after that.

## **2.18 Director's or officer's circular**

(1) An individual director or officer may recommend acceptance or rejection of a take-over bid if the director or officer sends with the recommendation a separate director's or officer's circular to every person to whom a take-over bid was required to be sent under section 2.6.

(2) If, before the expiry of a take-over bid or after the expiry of the bid but before the expiry of all rights to withdraw the securities that have been deposited under the bid, a change has occurred in the information contained in an individual director's or officer's circular or any notice of change in relation to it that would reasonably be expected to affect the decision of the security holders to accept or reject the bid, other than a change that is not within the control of the individual director or officer, as the case may be, that individual director or officer must immediately deliver a notice of change to every person to whom a bid circular was required to be sent under section 2.6.

(3) If an individual director or officer submits a circular under subsection (1) or a notice of change under subsection (2) to the board of directors, the board, at the offeree issuer's expense, must send a copy of the circular or notice to every person to whom a take-over bid was required to be sent under section 2.6.

(4) The board of directors of the offeree issuer or the individual director or officer, as the case may be, must concurrently file the director's or officer's circular or a notice of change in relation to it and send it to the principal office of the offeror no later than the date on which it is sent to the security holders of the offeree issuer, or as soon as practicable after that.

(5) A director or officer's circular or a notice of change in relation to it must be in the required form.

## **2.19 Consent of expert to use of name**

If a report, appraisal or statement of an expert is included in or accompanies a directors' circular, an individual director's or officer's circular or any notice of change or variation to the circular, the written consent of the expert to the use of the report, appraisal or statement must be filed concurrently with the circular or notice.

## **2.20 Methods of delivery of offeree issuer's documents**

(1) A directors' circular, an individual director's or officer's circular and every notice of change must be

(a) mailed by pre-paid mail to the intended recipient, or

(b) delivered to the intended recipient by personal delivery, courier or other manner acceptable to the regulator.

(2) Any circular or notice sent in accordance with this section is deemed to be dated as of the date it was sent to all or substantially all of the persons entitled to receive it.

## **Division 4: Offeror's Obligations**

### **2.21 Bid consideration**

- (1) If a take-over bid or issuer bid is made, all security holders of the same class of securities must be offered identical consideration or an identical choice of consideration.
- (2) If a variation in the terms of the bid before the expiry of the bid increases the value of the consideration offered for the securities subject to the bid, the offeror must pay that increased consideration to each person whose securities are taken up pursuant to the bid, whether or not the securities were taken up by the offeror before the variation of the bid.
- (3) After a bid has been commenced, an offeror must not
  - (a) lower the consideration offered under the bid,
  - (b) change the form of consideration offered under the bid, other than to add to the consideration already offered under the bid,
  - (c) lower the proportion of outstanding securities for which the bid is made, or
  - (d) add new conditions.

### **2.22 Collateral Agreements**

- (1) For the purposes of this section, in determining the beneficial ownership of securities of a holder at a given date, any security or right or obligation permitting or requiring the security holder or any person acting jointly or in concert with the security holder, whether or not on conditions, to acquire a security, including an unissued security, of a particular class within 60 days by a single transaction or a series of linked transactions is deemed to be a security of a particular class.
- (2) If an offeror makes or intends to make a bid, neither the offeror nor any person acting jointly or in concert with the offeror shall enter into any collateral agreement, commitment or understanding that has the effect, directly or indirectly, of providing a security holder of the offeree issuer with consideration of greater value than that offered to the other security holders of the same class of securities.
- (3) Subsection (2) does not apply if the agreement, commitment or understanding relates to
  - (a) a payment or distribution per equity security that is identical in amount and form to the entitlement of the general body of holders in Canada of securities of the same class,
  - (b) an enhancement of employee benefits resulting from participation by the holder of securities of the offeree issuer in a group plan, other than an incentive plan, for employees of a successor to the business of the offeree issuer, if the benefits provided by the group plan are generally provided to employees of the successor to the business of the offeree issuer who hold positions of a similar nature to the position held by the security holder, or
  - (c) a benefit, not described in paragraph (b), that is received solely in connection with the security holder's services as an employee, director or consultant of the offeree issuer, of an affiliated entity of the offeree issuer, or of a successor to the business of the offeree issuer, if

(i) the benefit is not conferred for the purpose, in whole or in part, of increasing the value of the consideration paid to the security holder for securities deposited under the bid or providing an incentive to deposit to the bid,

(ii) the conferring of the benefit is not, by its terms, conditional on the security holder supporting the bid in any manner,

(iii) full particulars of the benefit are disclosed in the issuer bid circular or, in the case of a take-over bid, in the directors' circular, and

(iv) either

(A) at the time the bid is publicly announced, the security holder and its associated entities beneficially own or exercise control or direction over less than one per cent of the outstanding securities of each class of equity securities of the offeree issuer, or

(B) if the offeree issuer has an independent committee of directors,

(I) the security holder discloses to the independent committee of the offeree issuer the amount of consideration that the security holder expects it will be beneficially entitled to receive under the terms of the bid in exchange for the equity securities beneficially owned by the security holder,

(II) the independent committee, acting in good faith, determines that the value of the benefit, net of any offsetting costs to the security holder, is less than five per cent of the value referred to in clause (A), and

(III) the independent committee's determination is disclosed in the issuer bid circular or, in the case of a take-over bid, in the directors' circular.

### **2.23 Proportionate take-up and payment**

(1) If a bid is made for less than all of the class of securities subject to the bid and a greater number of securities is deposited under the bid than the offeror is bound or willing to acquire under the bid, the offeror must take-up and pay for the securities pro rata, disregarding fractions, according to the number of securities deposited by each security holder.

(2) Subsection (1) does not apply if an issuer, under the terms of an issuer bid, acquires securities that, if not acquired, would constitute an odd lot for the security holder.

(3) Subsection (1) does not apply if an issuer, under the terms of an issuer bid, acquires securities, if security holders who deposit securities under the bid are entitled to elect a minimum price per security, within a range of prices, at which they are willing to sell their securities under the bid and a security holder elects a minimum price which is higher than the price that the offeror pays for securities under the bid.

(4) For the purposes of subsection (1), any securities acquired in a pre-bid transaction to which subsection 2.4(1) applies are deemed to have been deposited under the bid by the person who was the seller in the pre-bid transaction.

### **2.24 Financing arrangements**

(1) If a bid provides that the consideration for the securities deposited under the bid is to be paid in cash or partly in cash, the offeror must make adequate arrangements before the bid to ensure that the required funds are available to make full payment for the securities that the offeror has offered to acquire.

(2) For the purposes of subsection (1), the financing arrangements required to be made by the offeror before the bid may be subject to conditions if, at the time the bid is commenced, the offeror reasonably believes the possibility to be remote that, if the conditions of the bid are satisfied or waived, the offeror will be unable to pay for the securities deposited under the bid due to a financing condition not being satisfied.

## **Division 5: Bid Mechanics**

### **2.25 Minimum deposit period**

An offeror must allow securities to be deposited pursuant to the bid for at least 35 days from the date of the bid.

(b) at any time before the expiration of 10 days from the date of a notice of change under section 2.9 or a notice of variation under section 2.10, or

(c) if the securities have not been paid for by the offeror within 3 business days after the securities have been taken up.

(2) The right of withdrawal under paragraph (1)(b) does not apply

(a) if the securities have been taken up by the offeror before the date of the change or variation,

(b) if a variation in the terms of a bid consists only of an increase in consideration offered for the securities and an extension of the time for deposit to no later than 10 days after the notice of variation has been sent, or

(c) if a variation is limited to the waiver of one of the terms of a bid where the consideration consists solely of cash.

(2) The withdrawal of any securities under subsection (1) is made by sending a written notice to the designated depository and becomes effective on its receipt by the depository.

(3) If notice is given in accordance with subsection (3), the offeror must promptly return the securities to the security holder.

### **2.28 Effect of market purchases**

If an offeror purchases securities as permitted by section 2.2(3), those purchased securities must be counted in determining whether a condition as to the minimum number of securities to be deposited under the bid has been fulfilled, but must not reduce the number of securities the offeror is bound to take up under the bid.

## **2.29 Take-up and payment for deposited securities**

- (1) The offeror must take up and pay for securities deposited under the bid, if all the terms and conditions of the bid have been complied with or waived, not later than 10 days after the expiry of the bid or the earlier time as may be required by subsection (2) or (3).
- (2) An offeror must pay for any securities taken up under the bid as soon as possible, and in any event not later than 3 business days after the taking up of the securities deposited under the bid.
- (3) Securities deposited under the bid subsequent to the date on which the offeror first takes up securities deposited under the bid must be taken up and paid for by the offeror not later than 10 days after the deposit of the securities.
- (4) An offeror may not extend its bid if all the terms and conditions of the bid have been complied with or waived, unless the offeror first takes up all securities deposited under the bid and not withdrawn.
- (5) Despite subsections (3) and (4), if a bid is made for less than all of the class of securities subject to the bid, an offeror is only required to take up, by the times specified in those subsections, the maximum number of securities that the offeror can take up without contravening section 2.21 or 2.23.
- (6) Despite subsection (4), if the offeror waives any terms or conditions of a bid and extends the bid in circumstances where the rights of withdrawal conferred by paragraph 2.27(1)(b) are applicable, the bid must be extended without the offeror first taking up the securities which are subject to the right of withdrawal.

## **2.30 Return of deposited securities**

If an offeror knows that it will not take-up securities deposited under the bid, the offeror must promptly issue and file a news release to that effect and return the securities to the security holders.

## **2.31 News release required on expiry of bid**

If all terms and conditions of the bid have been complied with or waived, the offeror must issue and file a news release to that effect promptly after the expiry of the bid, which news release must disclose

## **PART 5 EXEMPTIONS**

### **Division 1: Interpretation**

#### **5.1 Market price**

(1) The market price of a class of securities for which there is a published market, at any date, is an amount equal to the simple average of the closing price of securities of that class for each of the business days on which there was a closing price in the 20 business days preceding that date.

(2) If a published market does not provide a closing price, but provides only the highest and lowest prices of securities traded on a particular day, the market price of the securities, at any date, is an amount equal to the average of the simple averages of the highest and lowest prices for each of the business days on which there were highest and lowest prices in the 20 business days preceding that date.

(3) If there has been trading of securities in a published market for fewer than 10 of the 20 business days preceding the date as of which the market price of the securities is being determined, the market price is the average of the following prices established for each day of the 20 business days preceding that date:

(a) the average of the closing bid and ask prices for each day on which there was no trading,

(b) either

(i) the closing price of securities of the class for each day that there has been trading, if the published market provides a closing price, or

(ii) the average of the highest and lowest prices of securities of that class for each day that there has been trading, if the published market provides only the highest and lowest prices of securities traded on a particular day.

(4) If there is more than one published market for a security, the market price for the purposes of subsections (1), (2) and (3) must be determined as follows:

(a) if only one of the published markets is in Canada, the market price must be determined solely by reference to that market,

(b) if there is more than one published market in Canada, the market price must be determined solely by reference to the published market in Canada on which the greatest dollar volume of trading in the particular class of securities occurred during the 20 business days preceding the date as of which the market price is being determined, or

(c) if there is no published market in Canada, the market price must be determined solely by reference to the published market on which the greatest volume of trading in the particular class of securities occurred during the 20 business days preceding the date as of which the market price is being determined.

(5) Despite subsections (1), (2), (3) and (4), for the purpose of section 5.2, if an offeror acquires securities on a published market, the market price for those securities is the price of the last board lot of securities of that class purchased, before the acquisition by the offeror, by a person that was not acting jointly or in concert with the offeror.

(6) In the case of a class of equity securities that is not traded on a published market and is convertible into a class of equity securities traded on a published market, the market price of the convertible security must be based on the market price of that class of equity securities determined in accordance with this section.
