REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

FORM 81-101F1 CONTENTS OF SIMPLIFIED PROSPECTUS

GENERAL INSTRUCTIONS:

General

(1) This Form describes the disclosure required in a simplified prospectus of a mutual fund. Each Item of this Form outlines disclosure requirements. Instructions to help you provide this disclosure are printed in italic type.

(2) Terms defined in Regulation 81-101 respecting Mutual Fund Prospectus Disclosure (c. V-1.1, r. 38), Regulation 81-102 respecting Mutual Funds (c. V-1.1, r. 39) or Regulation 81-105 respecting Mutual Fund Sales Practices (c. V-1.1, r. 41) and used in this Form have the meanings that they have in those regulations. However, subsection 1.3(3) of Regulation 81-102 respecting Mutual Funds does not apply to this Form.

(3) A simplified prospectus shall state the required information concisely and in plain language. Reference should be made to Part 3 of Policy Statement to Regulation 81-101 respecting Mutual Fund Prospectus Disclosure (Decision 2001-C-0284, 2001-06-12) for a discussion concerning plain language and presentation.

(4) Respond as simply and directly as is reasonably possible and include only as much information as is necessary for an understanding of the fundamental and particular characteristics of the mutual fund. Brevity is especially important in describing practices or aspects of a mutual fund's operations that do not differ materially from those of other mutual funds.

(5) Regulation 81-101 requires the simplified prospectus to be presented in a format that assists in readability and comprehension. This Form does not mandate the use of a specific format to achieve these goals. However, mutual funds are encouraged to use, as appropriate, tables, captions, bullet points or other organizational techniques that assist in presenting the required disclosure clearly and concisely.

(6) Each item shall be presented under the heading or sub-heading stipulated in this Form; references to the relevant item number are optional. If no sub-heading for an item is stipulated in this Form, a mutual fund may include sub-headings, under the required headings, at its option.

(7) A simplified prospectus may contain photographs and artwork only if they are relevant to the business of the mutual fund, mutual fund family or members of the organization of the mutual fund and are not misleading.

(8) Any footnotes to tables provided for under any item in this Form may be deleted if the substance of the footnotes is otherwise provided.

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

Contents of a Simplified Prospectus

(9) A simplified prospectus shall pertain to one mutual fund, and shall consist of 2 sections, a Part A section and a Part B section.

(10) The Part A section of a simplified prospectus contains the response to the Items in Part A of this Form and contains introductory information about the mutual fund, general information about mutual funds and information applicable to the mutual funds managed by the mutual fund organization.

(11) The Part B section of a simplified prospectus contains the response to the Items in Part B of this Form and contains specific information about the mutual fund to which the simplified prospectus pertains.

(12) Despite securities legislation, a simplified prospectus shall present each Item in the Part A section and each Item in the Part B section in the respective order provided for in this Form. However, the Part B section of the simplified prospectus may be placed in any location in the simplified prospectus. For a single SP, this means that the Part B section may be placed before the Part A section, somewhere in the middle of the Part A section or after the Part A section, except for the covers.

(13) Subsection 5.1(3) of Regulation 81-101 permits certain documents to be attached to, or bound with, a simplified prospectus. Those documents consist of the documents incorporated by reference into the simplified prospectus, educational material, account application documents, registered tax plan applications and documents and any point of sale disclosure documents required by securities legislation. No other documents may be attached to, or bound with, a simplified prospectus.

Consolidation of Simplified Prospectuses into a Multiple SP

(14) Subsection 5.1(1) of Regulation 81-101 states that simplified prospectuses shall not be consolidated to form a multiple SP unless the Part A sections of each simplified prospectus are substantially similar. The Part A sections in a consolidated document need not be repeated. These provisions permit a mutual fund organization to create a document that contains the disclosure for a number of mutual funds in the same family.

(15) As with a single SP, a multiple SP will consist of 2 Parts:

1. A Part A section that contains general information about the mutual funds, or the mutual fund family, described in the document.

2. A number of Part B sections, each of which will provide specific information about one mutual fund. The Part B sections shall not be consolidated with each other so that, in a multiple SP, information about each of the mutual funds

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

described in the document shall be provided on a fund by fund or catalogue basis and shall set out for each mutual fund separately the information required by Part B of this Form. Each Part B section shall start on a new page.

(16) For a multiple SP in which the Part A and Part B sections are bound together, the Part B sections may be placed at any location in the document; that is, before the Part A section, somewhere in the middle of the Part A section or after the Part A section, except for the back cover. If the Part B sections are bound with the Part A section, the Part B sections shall be kept together in the document.

(17) Section 5.3 of Regulation 81-101 permits the Part B sections of a multiple SP to be bound separately from the Part A section of the document. If one Part B section is bound separately from the Part A section of the document, all Part B sections must be separate from the Part A section of the document.

(18) Subsection 5.3(2) of Regulation 81-101 permits Part B sections that have been bound separately from the related Part A section to either be bound individually or together, at the option of the mutual fund organization. There is no prohibition against the same Part B section of a multiple SP being bound by itself for distribution to some investors, and also being bound with the Part B section of other mutual funds for distribution to other investors.

(19) Section 3.2 of Regulation 81-101 provides that the requirement under securities legislation to deliver a prospectus for a mutual fund will be satisfied by the delivery of a simplified prospectus, either with or without the documents incorporated by reference. Mutual fund organizations that bind separately the Part B sections of a multiple SP from the Part A section are reminded that, since a simplified prospectus consists of a Part A section and a Part B section, delivery of both sections is necessary in order to satisfy the delivery obligations in connection with the sale of securities of a particular mutual fund.

(20) In Items 1 through 4 of Part A of this Form, specific instructions are provided for a single SP and a multiple SP and in some cases for a multiple SP for which the Part A section is either bound with, or separate from, the Part B sections of the document. The remainder of Part A of this Form generally refers to disclosure required for "a mutual fund" in a "simplified prospectus". This disclosure should be modified as appropriate to reflect multiple mutual funds covered by a multiple SP.

Multi-Class Mutual Funds

(21) A mutual fund that has more than one class or series that are referable to the same portfolio may treat each class or series as a separate mutual fund for purposes of this Form, or may combine disclosure of one or more of the classes or series in one simplified prospectus. If disclosure pertaining to more than one class or series is combined in one simplified prospectus, separate disclosure in response to each Item in

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

this Form must be provided for each class or series unless the responses would be identical for each class or series.

(22) As provided in Regulation 81-102 respecting Mutual Funds, a section, part, class or series of a class of securities of a mutual fund that is referable to a separate portfolio of assets is considered to be a separate mutual fund. Those principles are applicable to Regulation 81-101 and this Form.

"This table lists the fees and expenses that you may have to pay if you invest in the [insert the name of the mutual fund]. You may have to pay some of these fees and expenses directly. (4) Show all fees or expenses payable by the mutual fund, even if it is expected that the manager of the mutual fund or other member of the organization of the mutual fund will waive or absorb some or all of those fees and expenses.

Detailed disclosure of the tax consequences of this arrangement on those investors should be made by such mutual funds.

Item 12 Additional Information

(2) This Item does not apply to the requirements of securities legislation that are form requirements for a prospectus.

INSTRUCTIONS:

Another example is the requirement of some jurisdictions that certain statements be included in a simplified prospectus of a mutual fund with a non-Canadian manager.

(2) For a single SP, provide this disclosure either under this Item or under Item 14 of Part B of this Form, whichever is more appropriate.

(3) For a multiple SP, this disclosure should be provided under this Item if the disclosure pertains to all of the mutual funds described in the document. FORM 81-101F2 CONTENTS OF ANNUAL INFORMATION FORM

GENERAL INSTRUCTIONS:

General

(1) *This Form describes the disclosure that is required in an annual information form of a mutual fund. Each Item of this Form outlines disclosure requirements. Instructions to help you provide this disclosure are printed in italic type.*

(2) *Terms defined in Regulation 81-101 respecting Mutual Fund Prospectus Disclosure (c. V-1.1, r. 38), Regulation 81-102 respecting Mutual Funds (c. V-1.1, r. 39) or Regulation 81-105 respecting Mutual Fund Sales Practices (c. V-1.1, r. 41) and used in this Form have the meanings that they have in those regulations. However, subsection 1.3(3) of Regulation 81-102 respecting Mutual Funds does not apply to this Form.*

(3) *An annual information form is intended to supplement the information contained in the related simplified prospectus. Information contained in the related simplified prospectus need not be repeated except as required to make the annual information form comprehensible as an independent document. Generally speaking, all of the disclosure required to be provided in connection with a particular requirement of Form 81-101F1 ("the SP Form") in order to satisfy statutory disclosure requirements should be contained in the simplified prospectus. For some Items, it may be appropriate to expand in the annual information form on matters discussed in the simplified prospectus; for instance, a mutual fund organization may wish to describe in an annual information form some of its optional services in more detail than in the simplified prospectus. Generally speaking, however, an annual information form is intended to provide disclosure about different matters than those discussed in the simplified prospectus, which may be of assistance or interest to some investors.*

(4) *Unless otherwise required by this Form, information may be presented in a different format and style in an annual information form than in a simplified prospectus. An annual information form is required by Regulation 81-101 to be presented in a format that assists in readability and comprehension. This Form generally does not mandate the use of a specific format to achieve this goal and mutual funds are encouraged to use, as appropriate, tables, captions, bullet points or other organizational techniques that assist in presenting the disclosure clearly.*

(5) *An annual information form may contain photographs and artwork only if they are relevant to the business of the mutual fund, mutual fund family or members of the organization of the mutual fund and are not misleading.*

(6) *As with a simplified prospectus, an annual information form is to be prepared using plain language. Reference should be made to Part 3 of Policy Statement to Regulation 81-101 respecting Mutual Funds Prospectus Disclosure*

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

(Decision 2001-C-0284, 2001-06-12) for a discussion concerning plain language and presentation.

(7) Any footnotes provided for under any Item of this Form may be deleted if the substance of the footnotes is otherwise provided.

Contents of an Annual Information Form

(8) An annual information form pertains to one mutual fund but, unlike a simplified prospectus, is not required to be divided into a discrete Part A section, pertaining to general disclosure, and a Part B section, pertaining to fund-specific disclosure.

(9) It is not necessary to disclose the Items required by this Form in an annual information form in any particular order or under any particular heading. This is unlike the rule for a simplified prospectus, which provides that information contained in a simplified prospectus must be in the order and under the headings required by the SP Form.

Consolidation of Annual Information Forms into a Multiple AIF

(10) Section 5.4 of Regulation 81-101 requires an annual information form to be consolidated with one or more other annual information forms into a multiple AIF if the related simplified prospectuses are consolidated into a multiple SP. As the Regulation does not prevent the consolidation of annual information forms even if the related simplified prospectuses are not consolidated, a mutual fund organization may prepare one multiple AIF that pertains to all of its mutual funds, even if the simplified prospectuses for those mutual funds are not fully or even partially consolidated.

(11) Unlike the situation with a multiple SP, Regulation 81-101 does not permit parts of a multiple AIF to be bound separately.

(12) Unlike the requirements for a multiple SP, there are no requirements that disclosure concerning each mutual fund described in a multiple AIF be organized in any particular manner or order. In particular, it is not necessary to use the catalogue approach required to be used in a multiple SP in which disclosure about individual mutual funds is required to be separately presented. Information may be presented separately for each mutual fund, or consolidated, at the option of the mutual fund organization.

(13) The requirements in this Form generally speak of "a mutual fund". These requirements apply to each mutual fund to which a multiple AIF pertains.

Multi-Class Mutual Funds

(14) A mutual fund that has more than one class or series that are referable to the same portfolio may treat each class or series as a separate mutual fund for purposes of

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

this Form, or may combine disclosure of one or more of the classes or series in one annual information form. If disclosure pertaining to more than one class or series is combined in one annual information form, separate disclosure in response to each Item in this Form must be provided for each class or series unless the responses would be identical for each class or series.

(15) As provided in Regulation 81-102 respecting Mutual Funds, a section, party, class or series of a class of securities of a mutual fund that is referable to a separate portfolio of assets is considered to be a separate mutual fund. Those principles are applicable to Regulation 81-101 and this Form.

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

(11) The fund facts document must be prepared on letter-size paper and must consist of 2 Parts: Part I and Part II.

(13) Part I must be followed by the responses to the Items in Part II of this Form.

(14) Each of Part I and Part II must not exceed one page in length, unless the required information in any section causes the disclosure to exceed this limit. Where this is the case, a fund facts document must not exceed a total of 4 pages in length.

(15) A mutual fund must not attach or bind other documents to a fund facts document, except those documents permitted under section 5.4 of Regulation 81-101 respecting Mutual Fund Prospectus Disclosure.

When a multiple fund facts document is permitted under the Regulation, a mutual fund must provide information about each of the mutual funds described in the document on a fund-by-fund or catalogue basis and must set out for each mutual fund separately the information required by this Form. Each fund facts document must start on a new page.

Multi-Class Mutual Funds

(17) As provided in Regulation 81-102 respecting Mutual Funds, a section, part, class or series of a class of securities of a mutual fund that is referable to a separate portfolio of assets is considered to be a separate mutual fund. Those principles apply to Regulation 81-101 respecting Mutual Fund Prospectus Disclosure and this Form.

PART I INFORMATION ABOUT THE FUND

- (d) the date of the document; and
- (e) a brief introduction to the document using wording similar to the following:

INSTRUCTION

The date for a fund facts document that is filed with a preliminary simplified prospectus or simplified prospectus must be the date of the certificate contained in the related annual information form. The date for a fund facts document that is filed with a pro forma simplified prospectus must be the date of the anticipated simplified prospectus. The date for an amended fund facts document must be the date of the certificate contained in the related amended annual information form.

Item 2 Quick Facts

Under the heading "Quick Facts", include disclosure in the form of the following table:

Date fund created: (see instruction 1)	Portfolio manager: (see instruction 4)
Total value on [date]: (see instruction 2)	Distributions: (see instruction 5)
Management expense ratio (MER): (see instruction 3)	Minimum investment: (see instruction 6)

INSTRUCTIONS

- (1) Use the date that the securities of the class or series of the mutual fund described in the fund facts document first became available to the public.
- (2) Specify the net asset value of the mutual fund as at a date within 30 days before the date of the fund facts document. The amount disclosed must take into consideration all classes or series that are referable to the same portfolio of assets. For a newly established mutual fund, simply state that this information is not available because it is a new mutual fund.

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

(3) Use the management expense ratio (MER) disclosed in the most recently filed management report of fund performance (MRFP) for the mutual fund. The MER must be net of fee waivers or absorptions and, despite section 15.1(2) of Regulation 81-106 respecting Investment Fund Continuous Disclosure, need not include any additional disclosure about the waivers or absorptions. For a newly established mutual fund that has not yet filed a management report of fund performance, state that the MER is not available because it is a new mutual fund.

(4) Specify the name of the company or companies providing portfolio management services to the mutual fund. The mutual fund may also include the name of the specific individual(s) responsible for portfolio selection.

(5) Include disclosure under this element of the "Quick Facts" only if distributions are a fundamental feature of the mutual fund. Disclose the expected frequency and timing of distributions. If there is a targeted amount for distributions, the mutual fund may include this information.

(6) Specify both the minimum amount for an initial investment and for each additional investment. This can include minimum amounts for pre-authorized contribution plans.

Item 3 Investments of the Fund

(1) Briefly set out under the heading "What does the fund invest in?" a description of the fundamental nature of the mutual fund, or the fundamental features of the mutual fund that distinguish it from other mutual funds.

(2) For an index mutual fund,

(a) disclose the name or names of the permitted index or permitted indices on which the investments of the index mutual fund are based, and

(b) briefly describe the nature of that permitted index or those permitted indices.

(3) Include an introduction to the information provided in response to subsection (4) and subsection (5) using wording similar to the following: The charts below give you a snapshot of the fund's investments on [insert date]. The fund's investments will change.

(4) Include under the sub-heading "Top 10 investments [date]" a table disclosing:

(a) the top 10 positions held by the mutual fund;

(b) the total number of positions; and

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

(c) the percentage of net asset value of the mutual fund represented by the top 10 positions.

(5) Under the sub-heading "Investment mix [date]" include at least one, and up to 2, charts or tables that illustrate the investment mix of the mutual fund's investment portfolio.

INSTRUCTIONS

(1) Include in the information under "What does this fund invest in?" a description of what the mutual fund primarily invests in, or intends to primarily invest in, or that its name implies that it will primarily invest in, such as

(a) particular types of issuers, such as foreign issuers, small capitalization issuers or issuers located in emerging market countries;

(b) particular geographic locations or industry segments; or

(c) portfolio assets other than securities.

(2) Include a particular investment strategy only if it is an essential aspect of the mutual fund, as evidenced by the name of the mutual fund or the manner in which the mutual fund is marketed.

(3) If a mutual fund's stated objective is to invest primarily in Canadian securities, specify the maximum exposure to investments in foreign markets.

(4) The information under "Top 10 investments" and "Investment mix" is intended to give a snapshot of the composition of the mutual fund's investment portfolio. The information required to be disclosed under these sub-headings must be as at a date within 30 days before the date of the fund facts document. The date shown must be the same as the one used in Item 2 for the total value of the mutual fund.

(5) If the mutual fund owns more than one class of securities of an issuer, those classes should be aggregated for the purposes of this Item, however, debt and equity securities of an issuer must not be aggregated.

(6) Portfolio assets other than securities should be aggregated if they have substantially similar investment risks and profiles. For instance, gold certificates should be aggregated, even if they are issued by different financial institutions.

(7) Treat cash and cash equivalents as one separate discrete category.

(8) In determining its holdings for purposes of the disclosure required by this Item, a mutual fund must, for each long position in a derivative that is held by the mutual fund for purposes other than hedging and for each index participation unit held by the mutual

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

fund, consider that it holds directly the underlying interest of that derivative or its proportionate share of the securities held by the issuer of the index participation unit.

(9) If a mutual fund invests substantially all of its assets directly or indirectly (through the use of derivatives) in securities of one other mutual fund, list the 10 largest holdings of the other mutual fund and show the percentage of the other mutual fund's net asset value represented by the top 10 positions. If the mutual fund is not able to disclose this information as at a date within 30 days before the date of the fund facts document, the mutual fund must include this information as disclosed by the other mutual fund in the other mutual fund's most recently filed fund facts document, or its most recently filed management report of fund performance, whichever is most recent.

(10) Indicate whether any of the mutual fund's top 10 positions are short positions.

(11) Each investment mix chart or table must show a breakdown of the mutual fund's investment portfolio into appropriate subgroups and the percentage of the aggregate net asset value of the mutual fund constituted by each subgroup. The names of the subgroups are not prescribed and can include security type, industry segment or geographic location. The mutual fund should use the most appropriate categories given the nature of the mutual fund. The choices made must be consistent with disclosure provided under "Summary of Investment Portfolio" in the mutual fund's MRFP.

(12) In presenting the investment mix of the mutual fund, consider the most effective way of conveying the information to investors. All tables or charts must be clear and legible.

(13) For new mutual funds where the information required to be disclosed under "Top 10 investments" and "Investment mix" is not available, include the required sub-headings and provide a brief statement explaining why the required information is not available.

Item 4 Past Performance

(1) Under the heading "How has the fund performed?" include an introduction using wording similar to the following:

This section tells you how the fund has performed over the past [insert the lesser of 10 years or the number of completed calendar years] years. Returns are after expenses have been deducted. These expenses reduce the fund's returns.

It's important to note that this doesn't tell you how the fund will perform in the future. Also, your actual after-tax return will depend on your personal tax situation.

(2) Under the sub-heading "Average return" show

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

(a) the final value, of a hypothetical \$1,000 investment in the mutual fund as at the end of the period that ends within 30 days before the date of the fund facts document and consists of the lesser of

- (i) 10 years, or
- (ii) the time since inception of the mutual fund;

and

(b) the annual compounded rate of return that would equate the initial \$1,000 investment to the final value.

(3) Under the sub-heading "Year-by-year returns" provide a bar chart that shows the annual total return of the mutual fund, in chronological order with the most recent year on the right of the bar chart, for the lesser of

(a) each of the 10 most recently completed calendar years; and

(b) each of the completed calendar years in which the mutual fund has been in existence and which the mutual fund was a reporting issuer.

(4) Provide an introduction to the bar chart indicating

(a) that the bar chart shows the mutual fund's annual performance for each of the years shown; and

(b) for the particular years shown, the number of years in which the value of the mutual fund dropped.

INSTRUCTIONS

(1) In responding to the requirements of this Item, a mutual fund must comply with the relevant sections of Part 15 of Regulation 81-102 respecting Mutual Funds as if those sections applied to a fund facts document.

(2) Use a linear scale for each axis of the bar chart required by this Item.

(3) The x-axis and y-axis for the bar chart required by this Item must intersect at 0.

(4) A mutual fund that distributes different classes or series of securities that are referable to the same portfolio of assets must only show performance data related to the specific class or series of securities being described in the fund facts document.

(5) If the information required to be disclosed under this Item for "Average return" and "Year-by-year returns" is not reasonably available, include the required sub-

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

headings and provide a brief statement explaining why the required information is not available. Information under "Average return" will generally not be available for a mutual fund that has been distributing securities under a simplified prospectus for less than 12 consecutive months. Information under "Year-by-year returns" will generally not be available for a mutual fund that has been distributing securities under a simplified prospectus for less than one calendar year.

(6) The dollar amount shown under "Average return" may be rounded up to the nearest dollar.

(7) The percentage amounts shown under "Average return" and "Year-by-year returns" may be rounded up to the nearest decimal place.

Item 5 Risks

(1) Under the heading "How risky is it?" provide an introduction using wording similar to the following:

When you invest in a fund, the value of your investment can go down as well as up. [Insert name of the manager of the mutual fund] has rated this fund's risk as [insert rating on the scale in Item 5(2)].

For a description of the specific risks of this fund, see the fund's simplified prospectus.

(2) Using the investment risk classification methodology adopted by the manager, identify the mutual fund's investment risk level on the following scale:

Low	Low to medium	Medium	Medium to High	High
-----	---------------	--------	----------------	------

INSTRUCTIONS

(1) Based upon the investment risk classification methodology adopted by the manager of the mutual fund, identify where the mutual fund fits on the continuum of investment risk levels by showing the full investment risk scale set out in Item 5(2) and highlighting the applicable category on the scale.

(2) Where the mutual fund is a newly established mutual fund and it is not possible for the manager of the mutual fund to apply its investment risk classification methodology to the mutual fund, include a statement explaining that it is a new mutual fund and use the chart to indicate the investment risk level that the manager of the mutual fund would expect for the mutual fund.

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

Item 6 Guarantee

(1) Under the heading "Are there any guarantees?", if the mutual fund has an insurance or guarantee feature protecting all or some of the principal amount of an investment in the mutual fund:

(a) identify the person providing the guarantee or insurance;

(b) provide a brief description of the material terms of the guarantee or insurance, including the maturity date of the guarantee or insurance.

(2) If the mutual fund does not have any guarantee or insurance, state in wording similar to the following:

Like most mutual funds, this fund doesn't have any guarantees. You may not get back the money you invest.

INSTRUCTION

If applicable, state that the guarantee or insurance does not apply to the amount of any redemptions before the maturity date of the guarantee or before the death of the securityholder and that redemptions before that date would be based on the net asset value of the mutual fund at the time.

Item 7 Suitability

(1) Provide a brief statement of the suitability of the mutual fund for particular investors under the heading "Who is this fund for?". Describe the characteristics of the investor for whom the mutual fund may or may not be an appropriate investment, and the portfolios for which the mutual fund is and is not suited.

(2) State in bold font in wording similar to the following:

Before you invest in any fund, you should consider how it would work with your other investments and your tolerance for risk.

INSTRUCTION

If the mutual fund is particularly unsuitable for certain types of investors or for certain types of investment portfolios, emphasize this aspect of the mutual fund. Disclose both the types of investors who should not invest in the mutual fund, with regard to investments on both a short- and long-term basis, and the types of portfolios that should not invest in the mutual fund. If the mutual fund is particularly suitable for investors who have particular investment objectives, this can also be disclosed.

IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

Item 8 Impact of Income Taxes on Investor Returns

Under the heading "A word about tax" provide a brief explanation of the income tax consequences for investors using wording similar to the following:

In general, you'll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live and whether or not you hold the fund in a registered plan such as a Registered Retirement Savings Plan, or a Tax-Free Savings Account.

Keep in mind that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

PART II COSTS, RIGHTS AND OTHER INFORMATION

Item 1 Costs of Buying, Owning and Selling the Fund

1.1 Introduction

(1) Under the heading "How much does it cost?", state using wording similar to the following:

The following tables show the fees and expenses you could pay to buy, own and sell [name of the class or series of securities covered in the fund facts document] [units/shares] of the fund.

(2) If applicable, state that

- the investor should ask about other classes or series of securities that may be suitable for the investor.

1.2 Illustrations of Different Sales Charge Options

(1) For a mutual fund with multiple sales charge options, include an introduction under the sub-heading "Sales charges" using wording similar to the following: You have to choose a sales charge option when you buy the fund. Ask about the pros and cons of each option.

(2) Provide information about the sales charges payable by an investor under the available sales charge options in the form of the following table:

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

Sales charge option	What you pay		How it works
	in %	in dollars (\$)	
(see instruction 1)	(see instruction 2)	(see instruction 3)	(see instruction 4)

(3) If the mutual fund has only one sales charge option, replace the introductory statement required in paragraph (1) above with a statement highlighting the sales charge option applicable to the mutual fund.

(4) If the mutual fund does not have any sales charges, replace the introductory statement and the table required in paragraph (1) and paragraph (2) above with a general statement explaining that no sales charges apply.

INSTRUCTIONS

(1) The mutual fund must disclose all sales charge options (e.g., initial sales charge, deferred sales charge) that apply to the class or series being described in the fund facts document. It is not necessary to disclose sales charge options that do not apply to the series or class to which the fund facts document relates.

(2) Specify each sales charge option as a percentage. For an initial sales charge, include a range for the amount that can be charged, if applicable. For a deferred sales charge, provide the full sales charge schedule.

(3) Specify each sales charge option in dollar terms. For an initial sales charge, include a range for the amount that can be charged on every \$1,000 investment, if applicable. For a deferred sales charge, include a range for the amount that can be charged on every \$1,000 redemption.

(4) Provide a brief overview of the key elements of how each sales charge option works including:

- whether the amount payable is negotiable;
- whether the amount payable is deducted from the amount paid at the time of purchase or from the amount received at the time of sale;
- who pays and who receives the amount payable under each sales charge option.

In the case of a deferred sales charge, the disclosure must also briefly state:

- any amount payable as an upfront sales commission;
- who pays and who receives the amount payable as the upfront sales commission;

REGULATION IN FORCE FROM JANUARY 1, 2011 TO APRIL 29, 2012

- any free redemption amount and key details about how it works;
- whether switches can be made without incurring a sales charge; and
- how the amount paid by an investor at the time of a redemption of securities is calculated, for example, whether it is based on the net asset value of those securities at the time of redemption or another time.

1.3 Fund expenses

(1) Under the sub-heading "Fund expenses" include an introduction using wording similar to the following: You don't pay these expenses directly. They affect you because they reduce the fund's returns.

(2) Unless the mutual fund has not yet filed a management report of fund performance, provide information about the expenses of the mutual fund in the form of the following table:
