FORM 81-101F1
CONTENTS OF SIMPLIFIED PROSPECTUS

GENERAL INSTRUCTIONS:

General

- (1) *This Form describes the disclosure required in a simplified prospectus of a mutual fund. Each Item of this Form outlines disclosure requirements. Instructions as to how you are to provide this disclosure are printed in italic type.*
- (2) *Terms defined in Regulation 81-101 respecting Mutual Fund Prospectus Disclosure (chapter V-1.1, r. 38), Regulation 81-102 respecting Investment Funds (chapter V-1.1, r. 39) or Regulation 81-105 respecting Mutual Fund Sales Practices (chapter V-1.1, r. 41) and used in this Form have the meanings that they have in those regulations.*
- (3) *A simplified prospectus must state the required information concisely and in plain language.*
- (4) *Respond as simply and directly as is reasonably possible. Include only as much information as is necessary for an understanding of the fundamental and particular characteristics of the mutual fund. Brevity is especially important in describing practices or aspects of a mutual fund's operations that are materially the same as those of other mutual funds.*
- (5) *Regulation 81-101 respecting Mutual Fund Prospectus Disclosure requires the simplified prospectus to be presented in a format that assists in readability and comprehension. This Form does not mandate the use of a specific format to achieve these goals. However, mutual funds are encouraged to use, as appropriate, tables, captions, bullet points or other organizational techniques that assist in presenting the required disclosure clearly and concisely.*
- (6) *Each Item must be presented under the heading or sub-heading stipulated in this Form; references to the relevant Item number are optional. If no sub-heading for an Item is stipulated in this Form, a mutual fund may include sub-headings, under the required headings, at its option.*
- (7) *A simplified prospectus may contain photographs and artwork only if they are relevant to the business of the mutual fund, mutual fund family or members of the organization of the mutual fund and are not misleading.*
- (8) *Any footnotes to tables provided for under any Item in this Form may be deleted if the substance of the footnotes is otherwise provided.*

Contents of a Simplified Prospectus

(9) *A simplified prospectus consists of two sections, a Part A section and a Part B section.*

(10) *The Part A section of a simplified prospectus contains the response to the Items in Part A of this Form and contains introductory information about the mutual fund, general information about mutual funds and information applicable to the mutual funds managed by the mutual fund organization.*

(11) *The Part B section of a simplified prospectus contains the response to the Items in Part B of this Form and contains specific information about the mutual fund to which the simplified prospectus pertains.*

(12) *Despite securities legislation, a simplified prospectus must present each Item in the Part A section and each Item in the Part B section in the respective order provided for in this Form.*

Consolidation of Simplified Prospectuses into a Multiple SP

(13) *Subsection 5.1(1) of Regulation 81-101 respecting Mutual Fund Prospectus Disclosure states that simplified prospectuses must not be consolidated to form a multiple SP unless the Part A sections of each simplified prospectus are substantially similar. The Part A sections in a consolidated document need not be repeated. These provisions permit a mutual fund organization to create a document that contains the disclosure for a number of mutual funds in the same family.*

(14) *Subsection 5.1(4) of Regulation 81-101 respecting Mutual Fund Prospectus Disclosure states that a simplified prospectus of an alternative mutual fund must not be consolidated with a simplified prospectus of another mutual fund that is not an alternative mutual fund.*

(15) *As with a single SP, a multiple SP consists of two Parts:*

1. *A Part A section that contains general information about the mutual funds, or the mutual fund family, described in the document.*

2. *A number of Part B sections, each of which provide specific information about one mutual fund. The Part B sections must not be consolidated with each other so that, in a multiple SP, information about each mutual fund described in the document must be provided on a fund-by-fund or catalogue basis and set out for each mutual fund separately the information required under Part B of this Form. Each Part B section must start on a new page.*

(16) *Section 5.3 of Regulation 81-101 respecting Mutual Fund Prospectus Disclosure permits the Part B sections of a multiple SP to be bound separately from the Part A section of the document. If one Part B section is bound separately from the Part A section of the document, all Part B sections must be separate from the Part A section of the document.*

(17) Subsection 5.3(2) of Regulation 81-101 respecting Mutual Fund Prospectus Disclosure permits Part B sections that have been bound separately from the related Part A section to be bound either individually or together, at the option of the mutual fund organization. There is no prohibition against the same Part B section of a multiple SP being bound by itself for distribution to some investors, and also being bound with the Part B section of other mutual funds for distribution to other investors.

(18) Section 3.2 of Regulation 81-101 respecting Mutual Fund Prospectus Disclosure provides that the requirement under securities legislation to deliver a preliminary prospectus for a mutual fund will be satisfied by the delivery of a preliminary simplified prospectus, either with or without the documents incorporated by reference. Mutual fund organizations that bind separately the Part B sections of a multiple SP from the Part A section are reminded that, since a simplified prospectus consists of a Part A section and a Part B section, delivery of both sections is necessary in order to satisfy the delivery obligations in connection with the sale of securities of a particular mutual fund.

(19) Part A of this Form generally refers to disclosure required for “a mutual fund” in a “simplified prospectus”. Modify the disclosure as appropriate to reflect multiple mutual funds covered by a multiple SP.

(20) A mutual fund that has more than one class or series of securities that are referable to the same portfolio may treat each class or series as a separate mutual fund for the purposes of this Form, or may combine disclosure of one or more of the classes or series in one simplified prospectus. If disclosure pertaining to more than one class or series is combined in one simplified prospectus, separate disclosure in response to each Item in this Form must be provided for each class or series unless the responses would be identical for each class or series.

(21) As provided in Regulation 81-102 respecting Investment Funds, a section, part, class or series of a class of securities of a mutual fund that is referable to a separate portfolio of assets is considered to be a separate mutual fund. Those principles are applicable to Regulation 81-101 respecting Mutual Fund Prospectus Disclosure and this Form.

FORM 81-101F2
CONTENTS OF ANNUAL INFORMATION FORM

GENERAL INSTRUCTIONS:

General

(1) *This Form describes the disclosure that is required in an annual information form of a mutual fund. Each Item of this Form outlines disclosure requirements. Instructions to help you provide this disclosure are printed in italic type.*

(2) *Terms defined in Regulation 81-101 respecting Mutual Fund Prospectus Disclosure (chapter V-1.1, r. 38), Regulation 81-102 respecting Investment Funds (chapter V-1.1, r. 39) or Regulation 81-105 respecting Mutual Fund Sales Practices (chapter V-1.1, r. 41) and used in this Form have the meanings that they have in those regulations. However, subsection 1.3(3) of Regulation 81-102 respecting Investment Funds does not apply to this Form.*

(3) *An annual information form is intended to supplement the information contained in the related simplified prospectus. Information contained in the related simplified prospectus need not be repeated except as required to make the annual information form comprehensible as an independent document. Generally speaking, all of the disclosure required to be provided in connection with a particular requirement of Form 81-101F1 ("the SP Form") in order to satisfy statutory disclosure requirements should be contained in the simplified prospectus. For some Items, it may be appropriate to expand in the annual information form on matters discussed in the simplified prospectus; for instance, a mutual fund organization may wish to describe in an annual information form some of its optional services in more detail than in the simplified prospectus. Generally speaking, however, an annual information form is intended to provide disclosure about different matters than those discussed in the simplified prospectus, which may be of assistance or interest to some investors.*

(4) *Unless otherwise required by this Form, information may be presented in a different format and style in an annual information form than in a simplified prospectus. An annual information form is required by Regulation 81-101 to be presented in a format that assists in readability and comprehension. This Form generally does not mandate the use of a specific format to achieve this goal and mutual funds are encouraged to use, as appropriate, tables, captions, bullet points or other organizational techniques that assist in presenting the disclosure clearly.*

(5) *An annual information form may contain photographs and artwork only if they are relevant to the business of the mutual fund, mutual fund family or members of the organization of the mutual fund and are not misleading.*

(6) *As with a simplified prospectus, an annual information form is to be prepared using plain language. Reference should be made to Part 3 of Policy Statement to Regulation 81-101 respecting Mutual Funds Prospectus Disclosure*

(Decision 2001-C-0284, 2001-06-12) for a discussion concerning plain language and presentation.

(7) Any footnotes provided for under any Item of this Form may be deleted if the substance of the footnotes is otherwise provided.

Contents of an Annual Information Form

(8) An annual information form pertains to one mutual fund but, unlike a simplified prospectus, is not required to be divided into a discrete Part A section, pertaining to general disclosure, and a Part B section, pertaining to fund-specific disclosure.

(9) It is not necessary to disclose the Items required by this Form in an annual information form in any particular order or under any particular heading. This is unlike the rule for a simplified prospectus, which provides that information contained in a simplified prospectus must be in the order and under the headings required by the SP Form.

Consolidation of Annual Information Forms into a Multiple AIF

(10) Section 5.4 of Regulation 81-101 requires an annual information form to be consolidated with one or more other annual information forms into a multiple AIF if the related simplified prospectuses are consolidated into a multiple SP. As the Regulation does not prevent the consolidation of annual information forms even if the related simplified prospectuses are not consolidated, a mutual fund organization may prepare one multiple AIF that pertains to all of its mutual funds, even if the simplified prospectuses for those mutual funds are not fully or even partially consolidated.

(11) Unlike the situation with a multiple SP, Regulation 81-101 does not permit parts of a multiple AIF to be bound separately.

(12) Unlike the requirements for a multiple SP, there are no requirements that disclosure concerning each mutual fund described in a multiple AIF be organized in any particular manner or order. In particular, it is not necessary to use the catalogue approach required to be used in a multiple SP in which disclosure about individual mutual funds is required to be separately presented. Information may be presented separately for each mutual fund, or consolidated, at the option of the mutual fund organization.

(13) The requirements in this Form generally speak of "a mutual fund". These requirements apply to each mutual fund to which a multiple AIF pertains.

Multi-Class Mutual Funds

(14) A mutual fund that has more than one class or series that are referable to the same portfolio may treat each class or series as a separate mutual fund for purposes of this Form, or may combine disclosure of one or more of the classes or series in one annual information form. If disclosure pertaining to more than one class or series is combined in one annual information form, separate disclosure in response to each Item in this Form

must be provided for each class or series unless the responses would be identical for each class or series.

(15) As provided in Regulation 81-102 respecting Investment Funds, a section, party, class or series of a class of securities of a mutual fund that is referable to a separate portfolio of assets is considered to be a separate mutual fund. Those principles are applicable to Regulation 81-101 and this Form.

However, mutual funds must use, as appropriate, tables, captions, bullet points or other organizational techniques that assist in presenting the required disclosure clearly and concisely.*

(6) *This Form does not mandate the use of a specific font size or style but the font must be legible. Where the fund facts document is made available online, information must be presented in a way that enables it to be printed in a readable format.*

(3.1) *Specify the name of the manager of the mutual fund.*

(4) *Name the mutual fund's portfolio manager. The mutual fund may also name the specific individual(s) responsible for portfolio selection and if applicable, the name of the sub-advisor(s).*

(5) *Include disclosure under this element of the "Quick Facts" only if distributions are a fundamental feature of the mutual fund. Disclose the expected frequency and timing of distributions. If there is a targeted amount for distributions, the mutual fund may include this information.*

(6) *Specify both the minimum amount for an initial investment and for each additional investment. This can include minimum amounts for pre-authorized contribution plans.*

Item 3 Investments of the Fund

(1) Briefly set out under the heading "What does the fund invest in?" a description of the fundamental nature of the mutual fund, or the fundamental features of the mutual fund that distinguish it from other mutual funds.

(1.1) In the case of an alternative mutual fund that uses leverage,

(a) disclose the sources of leverage, and

(b) disclose the maximum aggregate exposure to those sources of leverage the alternative mutual fund is permitted to have.

(2) For an index mutual fund,

(a) disclose the name or names of the permitted index or permitted indices on which the investments of the index mutual fund are based, and

(b) briefly describe the nature of that permitted index or those permitted indices.

(3) Include an introduction to the information provided in response to subsection (4) and subsection (5) using wording similar to the following: The charts below give you a snapshot of the fund's investments on [insert date]. The fund's investments will change.

(4) Unless the mutual fund is a newly established mutual fund, under the sub-heading "Top 10 investments [date]", include a table disclosing all of the following:

(a) the top 10 positions held by the mutual fund, each expressed as a percentage of the net asset value of the mutual fund;

(b) the percentage of net asset value of the mutual fund represented by the top 10 positions;

(c) the total number of positions held by the mutual fund.

(5) Unless the mutual fund is a newly established mutual fund, under the sub-heading "Investment mix [date]" include at least one, and up to two, charts or tables that illustrate the investment mix of the mutual fund's investment portfolio.

(6) For a newly established mutual fund, state the following under the sub-headings "Top 10 investments [date]" and "Investment mix [date]":

"This information is not available because this fund is new."

INSTRUCTIONS

(1) *Include in the information under "What does this fund invest in?" a description of what the mutual fund primarily invests in, or intends to primarily invest in, or that its name implies that it will primarily invest in, such as*

(a) *particular types of issuers, such as foreign issuers, small capitalization issuers or issuers located in emerging market countries;*

(b) *particular geographic locations or industry segments; or*

(c) *portfolio assets other than securities.*

(2) *Include a particular investment strategy only if it is an essential aspect of the mutual fund, as evidenced by the name of the mutual fund or the manner in which the mutual fund is marketed.*

(3) *If a mutual fund's stated objective is to invest primarily in Canadian securities, specify the maximum exposure to investments in foreign markets.*

(3.1) *The alternative mutual fund's aggregate exposure to the sources of leverage must be expressed as a percentage calculated in accordance with section 2.9.1 of Regulation 81-102 respecting Investment Funds.*

(4) *The information under "Top 10 investments" and "Investment mix" is intended to give a snapshot of the composition of the mutual fund's investment portfolio. The information required to be disclosed under these sub-headings must be as at a date within 60 days before the date of the fund facts document. The date shown must be the same as the one used in Item 2 for the total value of the mutual fund.*

(5) *If the mutual fund owns more than one class of securities of an issuer, those classes should be aggregated for the purposes of this Item, however, debt and equity securities of an issuer must not be aggregated.*

(6) *Portfolio assets other than securities should be aggregated if they have substantially similar investment risks and profiles. For instance, gold certificates should be aggregated, even if they are issued by different financial institutions.*

(7) *Treat cash and cash equivalents as one separate discrete category.*

(8) *In determining its holdings for purposes of the disclosure required by this Item, a mutual fund must, for each long position in a derivative that is held by the mutual fund for purposes other than hedging and for each index participation unit held by the mutual fund, consider that it holds directly the underlying interest of that derivative or its proportionate share of the securities held by the issuer of the index participation unit.*

(9) *If a mutual fund invests substantially all of its assets directly or indirectly (through the use of derivatives) in securities of one other mutual fund, list the 10 largest holdings of the other mutual fund and show the percentage of the other mutual fund's net asset value represented by the top 10 positions. If the mutual fund is not able to disclose this information as at a date within 60 days before the date of the fund facts document, the mutual fund must include this information as disclosed by the other mutual fund in the other mutual fund's most recently filed fund facts document, or its most recently filed management report of fund performance, whichever is most recent.*

(10) *Indicate whether any of the mutual fund's top 10 positions are short positions.*

(11) *Each investment mix chart or table must show a breakdown of the mutual fund's investment portfolio into appropriate subgroups and the percentage of the aggregate net asset value of the mutual fund constituted by each subgroup. The names of the subgroups are not prescribed and can include security type, industry segment or geographic location. The mutual fund should use the most appropriate categories given the nature of the mutual fund. The choices made must be consistent with disclosure provided under "Summary of Investment Portfolio" in the mutual fund's MRFP.*

(12) *In presenting the investment mix of the mutual fund, consider the most effective way of conveying the information to investors. All tables or charts must be clear and legible.*

(13) *For new mutual funds where the information required to be disclosed under "Top 10 investments" and "Investment mix" is not available, include the required sub-headings and provide a brief statement explaining why the required information is not available.*

Item 4 Risks

(1) Under the heading "How risky is it?" state the following:

"The value of the fund can go down as well as up. You could lose money.

One way to gauge risk is to look at how much a fund's returns change over time. This is called "volatility".

In general, funds with higher volatility will have returns that change more over time. They typically have a greater chance of losing money and may have a greater chance of higher returns. Funds with lower volatility tend to have returns that change less over time. They typically have lower returns and may have a lower chance of losing money.”.

(2) Under the sub-heading “Risk rating”,

(a) using the investment risk classification methodology prescribed by Appendix F Investment Risk Classification Methodology to Regulation 81-102 respecting Investment Funds, identify the investment risk level on the following risk scale:

Low	Low to medium	Medium	Medium to high	High
-----	---------------	--------	----------------	------

(b) unless the mutual fund is a newly established mutual fund, include an introduction to the risk scale which states the following:

“[Insert name of manager of the mutual fund] has rated the volatility of this fund as [insert investment risk level identified in paragraph (a) in bold type].

This rating is based on how much the fund’s returns have changed from year to year. It doesn’t tell you how volatile the fund will be in the future. The rating can change over time. A fund with a low risk rating can still lose money.”;

(c) for a newly established mutual fund, include an introduction to the risk scale which states the following:

“[Insert name of manager of the mutual fund] has rated the volatility of this fund as [insert investment risk level identified in paragraph (a) in bold type].

Because this is a new fund, the risk rating is only an estimate by [insert name of manager of the mutual fund]. Generally, the rating is based on how much the fund’s returns have changed from year to year. It doesn’t tell you how volatile the fund will be in the future. The rating can change over time. A fund with a low risk rating can still lose money.”;

(d) following the risk scale, state using wording substantially similar to the following:

“For more information about the risk rating and specific risks that can affect the fund’s returns, see the [insert cross-reference to the appropriate section of the mutual fund’s simplified prospectus] section of the fund’s simplified prospectus.”.

(3) If the mutual fund does not have any guarantee or insurance, under the sub-heading “No guarantees”, include a statement using wording substantially similar to the following:

“Like most mutual funds, this fund doesn’t have any guarantees. You may not get back the amount of money you invest.”.

(4) If the mutual fund does have a guarantee or insurance feature protecting all or some of the principal amount of an investment in the mutual fund, under the sub-heading “Guarantees”, disclose all of the following:

(a) the identity of the person providing the guarantee or insurance;

(b) a brief description of the material terms of the guarantee or insurance, including the maturity date of the guarantee or insurance.

INSTRUCTIONS:

(1) Based upon the investment risk classification methodology prescribed by Appendix F to Regulation 81-102 respecting Investment Funds, as at the end of the period that ends within 60 days before the date of the fund facts document, identify where the mutual fund fits on the continuum of investment risk levels by showing the full investment risk scale set out in Item 4(2)(a) and highlighting the applicable category on the scale. Consideration should be given to ensure that the highlighted investment risk rating is easily identifiable.

Item 5 Past Performance

(1) Unless the mutual fund is a newly established mutual fund, under the heading “How has the fund performed?”, include an introduction using wording substantially similar to the following:

“This section tells you how [name of class/series of securities described in the fund facts document] [units/shares] of the fund have performed over the past [insert number of calendar years shown in the bar chart required under paragraph (2)(a)] years. Returns are after expenses have been deducted. These expenses reduce the fund’s returns.”.

(1.1) For a newly established mutual fund, under the heading “How has the fund performed?”, include an introduction using the following wording:

“This section tells you how [name of class/series of securities described in the fund facts document] [units/shares] of the fund have performed. However, this information is not available because the fund is new.”.

(2) Under the sub-heading “Year-by-year returns”,

(a) for a mutual fund that has completed at least one calendar year, include all of the following:

(i) a bar chart that shows the annual total return of the mutual fund, in chronological order with the most recent year on the right of the bar chart, for the lesser of

(A) each of the 10 most recently completed calendar years, and

(B) each of the completed calendar years in which the mutual fund has been in existence and which the mutual fund was a reporting issuer;

(ii) an introduction to the bar chart using wording substantially similar to the following:

“This chart shows how [name of class/series of securities described in the fund facts document] [units/shares] of the fund performed in each of the past [insert number of calendar years shown in the bar chart required under paragraph (a)]. The fund dropped in value in [for the particular years shown in the bar chart required under paragraph (a), insert the number of years in which the value of the mutual fund dropped] of the [insert number of calendar years shown in the bar chart required in paragraph (a)] years. The range of returns and change from year to year can help you assess how risky the fund has been in the past. It does not tell you how the fund will perform in the future.”;

(b) for a mutual fund that has not yet completed a calendar year, state the following:

“This section tells you how [name of class/series of securities described in the fund facts document] [units/shares] of the fund have performed in past calendar years. However, this information is not available because the fund has not yet completed a calendar year.”;

(c) for a newly established mutual fund, state the following:

“This section tells you how [name of class/series of securities described in the fund facts document] [units/shares] of the fund have performed in past calendar years. However, this information is not available because the fund is new.

(3) Under the sub-heading “Best and worst 3-month returns”,

(a) for a mutual fund that has completed at least one calendar year, include all of the following:

(i) information for the period covered in the bar chart required under paragraph (2)(a) in the form of the following table:

	Return	3 months ending	If you invested \$1,000 at the beginning of the period
Best return	<i>(see instruction 8)</i>	<i>(see instruction 10)</i>	<i>Your investment would [rise/drop] to (see instruction 12).</i>

Worst return	(see instruction 9)	(see instruction 11)	Your investment would [rise/drop] to (see instruction 13).
--------------	---------------------	----------------------	--

(ii) an introduction to the table using wording substantially similar to the following:

“This table shows the best and worst returns for the [name of class/series of securities described in the fund facts document] [units/shares] of the fund in a 3-month period over the past [insert number of calendar years shown in the bar chart required under paragraph (2)(a)]. The best and worst 3-month returns could be higher or lower in the future. Consider how much of a loss you could afford to take in a short period of time.”;

(b) for a mutual fund that has not yet completed a calendar year, state the following:

“This section shows the best and worst returns for the [name of class/series of securities described in the fund facts document] [units/shares] of the fund in a 3-month period. However, this information is not available because the fund has not yet completed a calendar year.”;

(c) for a newly established mutual fund, state the following:

“This section shows the best and worst returns for the [name of class/series of securities described in the fund facts document] [units/shares] of the fund in a 3-month period. However, this information is not available because the fund is new.

(4) Under the sub-heading “Average return”,

(a) for a mutual fund that has completed at least 12 consecutive months, include all of the following:

(i) the final value of a hypothetical \$1000 investment in the mutual fund as at the end of the period that ends within 60 days before the date of the fund facts document and consists of the lesser of

(A) 10 years, and

(B) the time since inception of the mutual fund;

(ii) the annual compounded rate of return that equates the hypothetical \$1000 investment to the final value,

(b) for a mutual fund that has not yet completed 12 consecutive months, state the following:

“This section shows the value and annual compounded rate of return of a hypothetical \$1,000 investment in [name of class/series of securities described in the fund facts document] [units/shares] of the fund. However, this information is not available because the fund has not yet completed 12 consecutive months.”; and

(c) for a newly established mutual fund, state the following:

“This section shows the value and annual compounded rate of return of a hypothetical \$1,000 investment in [name of class/series of securities described in the fund facts document] [units/shares] of the fund. However, this information is not available because the fund is new.”.

INSTRUCTIONS

- (1) *In responding to the requirements of this Item, a mutual fund must comply with the relevant sections of Part 15 of Regulation 81-102 respecting Investment Funds (chapter V-1.1, r. 39) as if those sections applied to a fund facts document.*
- (2) *Use a linear scale for each axis of the bar chart required by this Item.*
- (3) *The x-axis and y-axis for the bar chart required by this Item must intersect at zero.*
- (4) *A mutual fund that distributes different classes or series of securities that are referable to the same portfolio of assets must show performance data related only to the specific class or series of securities being described in the fund facts document.*

- (10) *Insert the end date for the best 3-month return period.*
- (11) *Insert the end date for the worst 3-month return period.*
- (12) *Insert the final value that would equate with a hypothetical \$1000 investment for the best 3-month return period shown in the table.*
- (13) *Insert the final value that would equate with a hypothetical \$1000 investment for the worst 3-month return period shown in the table.*

Item 6 (Repealed)

Item 7 Suitability

(1) Provide a brief statement of the suitability of the mutual fund for particular investors under the heading “Who is this fund for?”. Describe the characteristics of the investor for whom the mutual fund may or may not be an appropriate investment, and the portfolios for which the mutual fund is and is not suited.

(2) (paragraph repealed).

INSTRUCTION

If the mutual fund is particularly unsuitable for certain types of investors or for certain types of investment portfolios, emphasize this aspect of the mutual fund. Disclose both the types of investors who should not invest in the mutual fund, with regard to investments on both a short- and long-term basis, and the types of portfolios that should not invest in the mutual fund. If the mutual fund is particularly suitable for investors who have particular investment objectives, this can also be disclosed.

Item 8 Impact of Income Taxes on Investor Returns

Under the heading “A word about tax” provide a brief explanation of the income tax consequences for investors using wording similar to the following:

In general, you'll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live and whether or not you hold the fund in a registered plan such as a Registered Retirement Savings Plan, or a Tax-Free Savings Account.

Keep in mind that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

PART II
COSTS, RIGHTS AND OTHER INFORMATION

Item 1 Costs of Buying, Owning and Selling the Fund

1.1 Introduction

Under the heading “How much does it cost?”, state the following:

“The following tables show the fees and expenses you could pay to buy, own and sell [name of the class/series of securities described in the fund facts document] [units/shares] of the fund. The fees and expenses – including any commissions – can vary among [classes/series] of a fund and among funds. Higher commissions can

influence representatives to recommend one investment over another. Ask about other funds and investments that may be suitable for you at a lower cost.

1.2 Illustrations of Different Sales Charge Options

(1) For a mutual fund with multiple sales charge options, include an introduction under the sub-heading “Sales charges” using wording similar to the following: You have to choose a sales charge option when you buy the fund. Ask about the pros and cons of each option.

(2) Provide information about the sales charges payable by an investor under the available sales charge options in the form of the following table:

Sales charge option	What you pay		How it works
	in %	in dollars (\$)	
(see instruction 1)	(see instruction 2)	(see instruction 3)	(see instruction 4)

(3) If the mutual fund has only one sales charge option, replace the introductory statement required in paragraph (1) above with a statement highlighting the sales charge option applicable to the mutual fund.

(4) If the mutual fund does not have any sales charges, replace the introductory statement and the table required in paragraph (1) and paragraph (2) above with a general statement explaining that no sales charges apply.

INSTRUCTIONS

(1) *The mutual fund must disclose all sales charge options (e.g., initial sales charge) that apply to the class or series being described in the fund facts document. It is not necessary to disclose sales charge options that do not apply to the series or class to which the fund facts document relates.*

(2) *Specify each sales charge option as a percentage. For an initial sales charge, include a range for the amount that can be charged, if applicable.*

(3) *Specify each sales charge option in dollar terms. For an initial sales charge, include a range for the amount that can be charged on every \$1,000 investment, if applicable.*

(4) *Provide a brief overview of the key elements of how each sales charge option works including:*

- *whether the amount payable is negotiable;*
- *whether the amount payable is deducted from the amount paid at the time of purchase or from the amount received at the time of sale;*

- *who pays and who receives the amount payable under each sales charge option.*

1.3 Fund expenses

(1) Under the sub-heading "Fund expenses" include an introduction using wording similar to the following: You don't pay these expenses directly. They affect you because they reduce the fund's returns.

(2) Unless the mutual fund has not yet filed a management report of fund performance, provide information about the expenses of the mutual fund in the form of the following table:

	Annual rate (as a % of the fund's value)
<p>Management expense ratio (MER)</p> <p>This is the total of the fund's management fee (including the trailing commission) and operating expenses. (see instruction 1)</p>	(see instruction 2)
<p>Trading expense ratio (TER)</p> <p>These are the fund's trading costs.</p>	(see instruction 3)
Fund expenses	(see instruction 4)

(3) Unless the mutual fund has not yet filed a management report of fund performance, above the table required under subsection (2), include a statement using wording similar to the following:

As of [see instruction 5], the fund's expenses were [insert amount included in table required under subsection (2)]% of its value. This equals \$[see instruction 6] for every \$1,000 invested.

(4) For a mutual fund that has not yet filed a management report of fund performance, state the following:

The fund's expenses are made up of the management fee, operating expenses and trading costs. The [class'/series'] annual management fee is [see instruction 7]% of the [class'/series'] value. Because this [class/series] is new, operating expenses and trading costs are not yet available.

(5) If the mutual fund pays an incentive fee that is determined by the performance of the mutual fund, provide a brief statement disclosing the amount of the fee and the circumstances in which the mutual fund will pay it.

(6) Under the sub-heading "More about the trailing commission", state whether the manager of the mutual fund or another member of the mutual fund's organization pays

trailing commissions. If trailing commissions are paid, include a description using wording substantially similar to the following:

“The trailing commission is an ongoing commission. It is paid for as long as you own the fund. It is for the services and advice that your representative and their firm provide to you.

[Insert name of fund manager] pays the trailing commission to your representative’s firm. It is paid from the fund’s management fee and is based on the value of your investment. The rate depends on the sales charge option you choose.”.

(7) If applicable, disclose the range of the rates of the trailing commission for each sales charge option disclosed under Item 1.2.

INSTRUCTIONS

(1) *If any fees or expenses otherwise payable by the mutual fund were waived or otherwise absorbed by a member of the organization of the mutual fund, despite section 15.1(2) of Regulation 81-106 respecting Investment Fund Continuous Disclosure, only include a statement in substantially the following words:*

[Insert name of the manager of the mutual fund] waived some of the fund's expenses. If it had not done so, the MER would have been higher.

(2) *Use the same MER that is disclosed in Item 2 of Part I of this Form.*

(2.1) *If applicable, include a reference to any fixed administration fees in the management expense ratio description required in the table under Item 1.3(2).*

(3) *Use the trading expense ratio disclosed in the most recently filed management report of fund performance (MRFP) for the mutual fund.*

(4) *The amount included for fund expenses is the amount arrived at by adding the MER and the trading expense ratio. Use a bold font or other formatting to indicate that fund expenses is the total of all ongoing expenses set out in the chart and is not a separate expense charged to the fund.*

(5) *Insert the date of the most recently filed management report of fund performance.*

(6) *Insert the equivalent dollar amount of the ongoing expenses of the fund for each \$1,000 investment.*

(7) *The percentage disclosed for the management fee must correspond to the percentage shown in the fee table in the simplified prospectus.*

(7.1) *For a mutual fund that is required to include the disclosure under subsection (4), in the description of the items that make up fund fees, include a reference to any fixed administrative fees, if applicable. Also disclose the amount of the fixed administration fee*

in the same manner as required for the management fee. The percentage disclosed for the fixed administration fee must correspond to the percentage shown in the fee table in the simplified prospectus.

(8) *In disclosing the range of rates of trailing commissions for each sales charge option, show both the percentage amount and the equivalent dollar amount for each \$1000 investment.*

1.4 Other Fees

(1) Under the sub-heading “Other fees”, provide an introduction using wording substantially similar to the following:

“You may have to pay other fees when you buy, hold, sell or switch [units/shares] of the fund.”.

(2) Provide information about the amount of fees, other than sales charges, payable by an investor when they buy, hold, sell or switch units or shares of the mutual fund, substantially in the form of the following table:

Fees	What you pay
(see instruction 1)	(see instruction 2)

INSTRUCTIONS

(1) *Under this Item, it is necessary to include only those fees that apply to the particular class or series of securities of the mutual fund. Examples include management fees and administration fees payable directly by investors, short-term trading fees, switch fees and change fees. This also includes any requirement for an investor to participate in a fee-based arrangement with their dealer in order to be eligible to purchase the particular class or series of securities of the mutual fund. If there are no other fees associated with buying, holding, selling or switching units or shares of the mutual fund, replace the table with a statement to that effect.*

(2) *Provide a brief description of each fee disclosing the amount to be paid as a percentage (or, if applicable, a fixed dollar amount) and state who charges the fee. If the amount of the fee varies so that specific disclosure of the amount of the fee cannot be disclosed include, where possible, the highest possible rate or range for that fee.*

Item 2 Statement of Rights

Under the heading “What if I change my mind?”, state using wording substantially similar to the following:

“Under securities law in some provinces and territories, you have the right to:

- withdraw from an agreement to buy mutual funds within 2 business days after you receive a simplified prospectus of Fund Facts document, or
- cancel your purchase within 48 hours after you receive confirmation of the purchase.
